Application No. 867

By application dated June 23, 1975, Georgetown Sightseeing Tours, Inc., (Georgetown) seeks revocation of its Certificate of Public Convenience and Necessity No. 22.

Certificate No. 22 was granted to Georgetown on January 8, 1975, by Order No. 1395. Georgetown states that its present decision to terminate the business "was made solely on the basis that the volume of sales to date has been meager indeed and that a realistic appraisal of the situation offered little hope of improvement in the future". The Commission perceives no compelling reason to withhold its approval of the requested revocation.

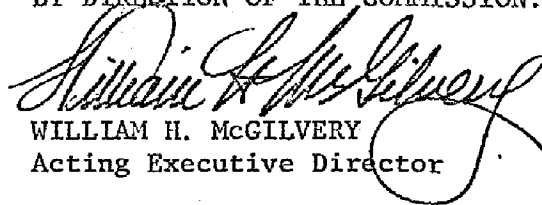

Title II, Article XII, Section 4(g) provides in pertinent part:

"Any such certificate, may, upon application of the holder thereof, in the discretion of the Commission, be suspended or revoked, in whole or in part,"

In accordance with this provision, Certificate of Public Convenience and Necessity No. 22 shall be revoked in its entirety.

THEREFORE, IT IS ORDERED that Certificate of Public Convenience and Necessity No. 22 issued to Georgetown Sightseeing Tours, Inc., be, and it is hereby, revoked in its entirety.

BY DIRECTION OF THE COMMISSION:

WILLIAM H. MCGILVERY
Acting Executive Director
